Publications update

for my academic review for full professorship

Since submitting my application for promotion to full professorship in July 2007, the status of three of the items listed in my CV as "recent working papers" has changed.

- (1) "China's Economic Growth 1978-2005: What We Know Today about China's Economic Growth Tomorrow."
Now forthcoming in *World Development*.
- (2) "No Razor's Edge: Reexamining Alwyn Young's Evidence for Increasing Inter-Provincial Trade Barriers in China."
Now forthcoming in *The Review of Economics and Statistics*.
- (3) "Measuring Chinese Productivity Growth, 1952-2005."
Now forthcoming as book with The MIT Press.

I enclose copies of the acceptance letters.

My latest CV, which also incorporates a number of minor updates, is on my homepage ihome.ust.hk/~socholz (click on CV link at top right).
