Dear Prof Holz,

SOSC 4260 is no longer co-listing with a ECON course. (It was just co-listed in the past for two years when Prof [X] has been teaching).

You will be teaching purely SOSC4260.

Best

Subject: Q re SOSC 4260

Hi [omitted],

This fall I am teaching [Prof X's] course SOSC 4260 (China's Economic Transformation). On his course outline, it's co-listed as Econ4204/SOC4260. Am I teaching purely SOSC4260, or am I teaching the co-listed courses which also includes Econ4204 (and has economics prerequisites)? Would you know what the enrollment number was last year?

Best,

Carsten
